

Material feed 30/85

Electric material feed for cables, stranded wires, tubes with a diameter up to 30 mm or width of 85 mm

with belt drive for:

Cables, stranded wires, tubes, flat cables, tapes, films, steel wires or similar materials with a diameter up to 30 mm or width of 85 mm.

Transport speed adjustable up to max. 70 m/min. Speed controlled via cutting machine or potentiometer (base speed) and pneumatic raising of belt via pendulum, adjustable contact pressure. The material feed supplies the cutting machine with material without any slipping, ensuring high length accuracy.

Technical specifications:

- Max. material diameter \varnothing 30 mm and width 85 mm
- Max. transport speed 70 m/min
- Length of the belt drive 300 mm
- Voltage 230 V, 50 Hz
- Compressed air connection 6 bar
- Width: 660 mm
- Depth: 520 mm
- Height: 400 mm
- Weight: 52 kg
